WE HAVE A PLACE FOR YOU

WHY CHOOSE US?

We offer a happy child-focused school with staff dedicated to teaching children from P1 to P3.

Children often do their best in a small school with more time for individual learning.

Our classrooms are big, bright and fully resourced.

WHY CHOOSE A P1 TO P3 SCHOOL?

An infant school with only P1 to P3 gives children the chance to grow in confidence and independence. The teaching and learning opportunities specialise in this age group.

WHAT HAPPENS AT P4?

Moving on after nursery and P7 is a normal part of school life. We find that children moving after P3 also settle quickly and easily into any of the local schools. The Drelincourt offers a great start.
