BRITE Box is a family recipe meal kit.

Every Friday, families receive a BRITE Box with all the ingredients you need and a step by step, child friendly recipe guide to cook a balanced meal for 5 together.

"Brite Box is a great adventure for our family, it encourages children to eat new food, explore new tastes and get interested in food. For children it's a massive boost of confidence when they can say: "I'm cooking today, I've got all the ingredients"

BRITE Box helps with the family food budget

Encourages children to get involved in enjoying cooking and eating together with their families!

Gives opportunities to try new foods, recipes and flavours

With a new recipe each week which costs less than £5 to cook again we hope you find some new family favourites!
