

# Leavers 2020

## A special year ends

2020, what a year! We only had school from September until March, but we did so much in that time.

Primary 3 have had an amazing year. The highlight was turning our Friday afternoon film into an award winning film club. John Toal came to record our club for his radio show and we hit the headlines in January when we were nominated for the Into Film Club of the year 2020. Our trip to the finals in London was cancelled due to the Coronavirus but we celebrated anyway with our wonderful Red Carpet Party. We had so much fun learning outside and carrying out our ECO jobs. We met the Children's Commissioner and the Lord Mayor and presented a super Christmas Around the World play. WOW!!
